

NURSING EDUCATION PROGRAMS

Two different types of nursing programs are offered in Michigan, both of which render the graduate eligible for Registered Nurse (RN) licensure by the Board of Nursing. Bachelor of Science in Nursing (BSN) and Associate Degree in Nursing (ADN) programs are offered in conjunction with degree-granting schools. They offer a college degree in conjunction with preparation for RN licensure. Each college or university determines the transferability of hospital nursing school credits (diploma programs) into a degree program.

Practical Nurse programs are also offered at both degree and non-degree institutions. Practical Nurse programs offered at colleges and universities generally award credit toward a degree, as well as, prepare the student for Licensed Practical Nurse (LPN) licensure, while Practical Nurse programs offered at non-degree institutions also prepare the student for LPN licensure. The credits involved may or may not be accepted toward degree requirements by individual colleges or universities. Both types of programs award the graduate a certificate.

The Board of Nursing, Michigan Department of Community Health, Bureau of Health Professions, P.O. Box 30670, Lansing, Michigan 48909, 517-335-0918 has responsibility for approving all of the nursing programs outlined above.

Students successfully completing one of these approved programs must pass the National Council of State Boards of Nursing's examination (NCLEX) prior to actually receiving their RN or LPN license. Out-of-state graduates, wishing to practice in Michigan, must apply to the Board for licensure. The procedures involved for the licensing of out-of-state personnel vary with the individual's program of study experience.

A listing of Nursing and Nursing-related programs can also be found in the CIP Code section of the handbook under code 51.16. Further information concerning the various nursing education programs that are available can also be obtained through the Michigan League for Nursing, 2410 Woodlake Drive, Okemos, Michigan 48864, 517-347-8091, Fax 517-347-4096.
